EXPORT SPECIALIST

Company Profile

BERDINE TERRA GLOBAL “ Born from Earth, Built with Trust “

BERDINE
—TERRA GLOBAL—

About Us

Berdine Terra Global is an Indonesian natural product export company that develops sustainable partnerships with local farmers and micro, small and medium enterprises. We connect Indonesia's natural resource potential with global markets through professional, high-quality product management that complies with international trade standards.

Company Objectives

Berdine Terra Global aims to create sustainable added value through the export of Indonesian natural resources by expanding global market access, increasing the competitiveness of local products, promoting economic growth through a fair supply chain, and becoming a trusted export partner with international standards.
